SIKKIM SKILL UNIVERSITY

WELCOME TO SIKKIM SKILL UNIVERSITY

Setting The Stage For Tomorrow's Workplace In Today's Classroom*

The Sikkim Skill University was formed and incorporated by the Sikkim legislature through its official gazette and is recognised by the UGC Act 1956. under clause 2(f). The Sikkim Skill University is a futuristic model for young India that focuses on developing trends and skills. With substantial cooperation from the government, industry, and academia, technology-enabled learning has shifted the focus to skills-led education.

Sikkim Skill University (SSU) focuses on academic, vocational, professional, technical, and life skill areas to allow skill inculcation and societal enrichment for its students through traditional and non-traditional Programs. We're working hard to create an environment where ideas, enthusiasm, and hard work all come together to help you create the future you want.

The Technology-enabled learning environment, industry as faculty, simulative virtual lab experience, transdisciplinary choice-based learning, observer ships, internships, apprenticeships, and industry placements will all be significant differentiators of the SSU education.

The focus will be on fostering entrepreneurship, since India requires employment producers rather than job seekers. Family Managed Businesses, Innovations in Tech & Policy, and Start-ups will all be covered under Ventures, Innovations, and Enterprises. SSU, located in the South Sikkim, will provide students, alumni, and the local community with the skills they need to compete in the new Digital World.
